# KLEEMANN Design Services

A special Design Team serves as the creative force behind the development of lifts for any challenging project.  
Our designers combine solution-oriented design with a service-driven approach.

## Creative power

Industrial designer Andreas Zapatinas\* joined the creative forces of KLEEMANN in 2007 and new technical and aesthetic solutions have been explored. Since then, the experienced KLEEMANN Design Team has build on these fundamental ideas taking KLEEMANN lifts to the next level.

## KLEEMANN Design Services

- High quality virtual proposals
- Digital animation of your project
