Always in motion

We manufacture lifts inspired by human needs. We offer pre-engineered or fully customised solutions that fit any-scale project around the world. KLEEMANN lifts are about a whole new vertical mobility experience.

Company Overview

Founded	1983
Headquarters	Kilkis, Greece
Global Reach	100+ countries

Worldwide presence in more than 100 countries

- Manufacturing facilities in Greece & China
- Local Presence

12 companies around the world in Greece, United Kingdom, Australia, USA, Germany, Serbia, China, Turkey, Cyprus, France, Belgium & Romania

Our Vision

We are a world leader in the manufacturing of lifts. We achieve constant growth and success by investing in innovation, infrastructure, and our people.

Our values

Our values form an integral part of our company's activities. They are reflected in our management model and entire range of operations, through the initiatives we daily undertake.

Product Range

Passenger Lifts	Standard or custom, hydraulic or traction, Machine room or MRL, up to 4 m/sec		City 100 City 300 City 400 FlexyLIFT R	Atlas Basic Atlas RPH R Atlas Gigas R HRS
Freight Lifts	Heavy-duty solutions for loads up to 30 tons		Hydraulic	Atlas Super Gigas
Home Solutions	Customised solutions for residential use		Maison100 E Maison100 H	Maison200 H MaisonLIFT Plus
Modernisation Solutions	From full replacements to targeted upgrades to improve performance and aesthetics			
Escalators & Moving Walks	Efficient people-moving solutions for high-traffic environments	Escalators	KEC Commercial	KEH Heavy Duty
		Moving Walks	KTC Commercial KTH Commercial	KTW Heavy Duty
Anti-vandal Lifts	Designed to endure abuse in demanding public spaces			
Fire fighting Lifts	Made for firefighter operations to evacuate people safely in fires			
Earthquake Resistant Lifts	Equipped with the technology to detect the earthquake before its actual manifestation and transfer passengers safely to the next floor.			
Accessibility Solutions			FreeSTAIR with seat	FreeSTAIR for wheelchair
Parking Systems	Vehicle protection from all weather conditions and vandalism, featuring optimum utilisation of space, cost efficiency and quick installation.	Car lifting systems	KTS 2200	KTS 3000
		Scissor lift platforms	Single Scissor Platform	Double Scissor Platform
		Vehicle Turntable		
		Parking systems	Hydro Park 1127 Hydro Park 1123	Hydro parkTPTP-2
		Puzzle parking systems	BDP-2	
		Independent Parking Systems	Starke 2127	Starke 2227
Marine Solutions	Specialised elevator systems for marine applications			
Custom Solutions	Tailor-made solutions designed to meet unique architectural visions and demands			

Applications

Residential	Hotels
Home solutions	Hospitals
Commercial & public	Marine
Industrial	Data centers
