KLEEMANN DESIGN A MINDSET FOR INNOVATION

We **innovate** by providing
Lift Design services
and we are proud to present them
to you!

IS
ABOUT
LIFE

It's not only the new curved shape
and design. Above all,
it is a totally different new feeling.

Andreas Zapatinas Industrial Designer

Andreas Zapatinas is the creator of the new KLEEMANN Design series.
He is well known for shaping various automobiles mostly for the BMW,
Alfa Romeo, Fiat, Subaru and Changan.

into the cabin design

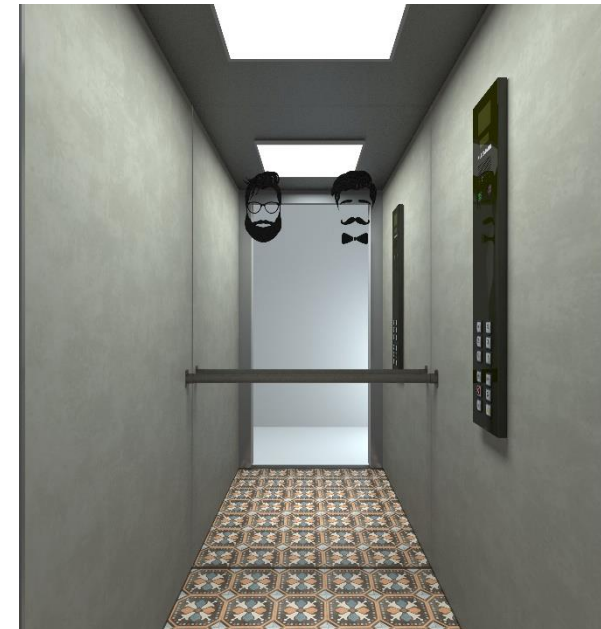

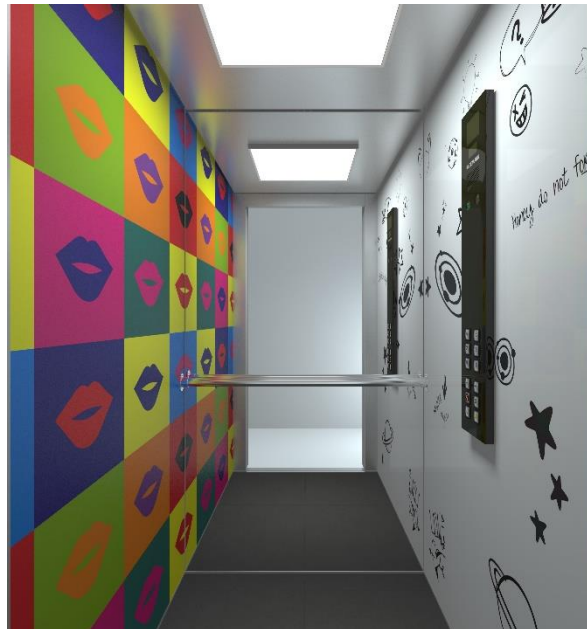

KLEEMANN DESIGN

TRENDS2020

We design inspired by real people, buildings, images, experiences, to create lifts that incorporate current trends and styles that people can identify with.
